S-13B-JB *13 Bay External Storage JBOD Tower*

Cooling Fan RoHS Compliant

Introduction

iStarUSA external multi-bay JBOD tower series are designed specially for storage applications. The wide variety of the towers with iStarUSA's hard drive cages enable maximum hard drive capacity. One quiet 80mm ball-bearing cooling fan enhances the ventilation inside. The external JBOD storage cases with solid construction are a cost-effective and flexible solution for your critical data storage.

Features

- Five 80mm Cooling Fan
- Compatible with PS/2 Switching Power Supply
- Heavy Duty SECC Construction
- Power Indicator
- Optional Color in Beige

Specifications

Form Factor	Tower
Cooling Fan [optional]	5x80mm
Standard Drive Bays	5.25" Drive: 13
Color of Main Chassis	Black
Material	SECC (Steel/ Electrogalvanized/ Cold-rolled/ Coil)
Power Supply	400W

S-3 *Compact Stylish Mini-ITX Enclosure*

USB 2.0 Cooling Fan RoHS Compliant

Introduction

iStarUSA new S-3 series offers both extreme performance & high capacity in a lightweight and compact aluminum-alloy enclosure. The S-3 series proves that it is possible to build an enclosure for entertainment or industrial field. The aluminum front panel is crafted to achieve a generous feeling of substance by minimizing gaps and holes. Everything is either covered or hidden to make sure the look is clean. It has one flush fitting door to cover all the front access I/O ports and drives. So a system is built with the S-3 will look great at all times even if it is not in use. The S-3 is compatible with the full range of Mini-ITX motherboards (17cmx17cm).

Features

- Smooth Aluminum Front Panel with Contemporary Touch
- Next Generation Cooling Performance
- Outstanding Potential for Silent Operation
- Conveniently Located Front I/O Ports
- Strategically Placed Side Ventilation Aid in Cooling

Specifications

Form Factor	Mini-ITX
Mainboard Size(in)	6.7 x 6.7
Cooling Fan [optional]	1x80mm
Standard Drive Bays	Slim CD Drive: 1 2.5" Drive: 1 3.5" Drive: 1
Material	SECC Steel
Material of Front Bezel	Aluminum
Indicators	Power and HDD activity
Expansion Slots	1 x PCI-32bit through a riser card
Front Connector	USB2.0 x2, Audio, FireWire (IEEE1394) ** The front connections and reset switch are located behind the cover.
Switches	Power and Reset
Dimension (W x H x D)	7.9 x 3.8 x 10.7 inches
Accessories Included	Assembly kit HDD cable Slim-optical converter Compact ATA cable
Power Supply	90W AC/DC adapter
